**Subject:** Agremax Land Placement Site Visits

Dear Suzette,

Attached please find notes and photographs for the Agremax land placement sites I visited in 2011. I will also provide photographs from my 2012 site visits (for which there are no notes), as well as notes and photographs from our 2012 sampling inspection at the AES facility, in a follow-up email.

## Ex. 5 - Deliberative

Best regards,

Len
